TRIBUTE

McGill University would like to take this opportunity to publicly acknowledge those donors who have made the academic awards and student aid program possible. We extend our sincere appreciation for their generosity.

1. Entrance Scholarships and Awards

1.1 General Information

McGill University has an extensive program of entrance awards to recognize and honour scholarship. Awards range in value from \$2,000 renewable to \$10,000 renewable and are based on outstanding academic achievement or a combination of outstanding academic achievement and leadership qualities. In addition, there is a possibility of further financial support for needy students. All renewable awards are tenable until completion of an undergraduate degree, up to a maximum of four years, provided the criteria for renewal are met. Finalists for the scholarships valued at \$5,000 or more may be interviewed.

Those students who meet the following eligibility conditions are encouraged to apply for entrance awards:

- Students entering a university for the first time to undertake a full-time undergraduate degree program (transfer students are **not** eligible)
- Students who are in the top 5% of their class based on the last two years of full-time studies.

The admissions application package provides detailed information on entrance awards. Students wishing to be considered for awards must submit all supporting scholarship documents with the admission application by the appropriate admission application deadline. Students who submit these documents will be considered for all scholarships for which they are eligible. There are no separate applications for scholarships and students do not apply for individual scholarships.

Applications for admission may be obtained from the Admissions, Recruitment and Registrar's Office, McGill University, 845 Sherbrooke St. West, Montreal, QC H3A 2T5. Further information and an on-line application form can be found on the ARR website (<http://www.aro.mcgill.ca>).

All scholarship applicants must include a student copy of their transcripts for the last two years of full-time studies with their scholarship application. Also, they should arrange for official copies of their transcripts to be received at the Admissions, Recruitment and Registrar's Office by March 1st. Transcripts for students who have applied through the Ontario Universities' Application Centre will be automatically transferred to McGill.

University students who are applying for admission to the faculties of Dentistry, Law, or Medicine should inquire at the faculty's admissions office regarding available funds.
